NEW YEAR MEMORIAL SERVICE

Sunday 14th January 2018

6.30pm

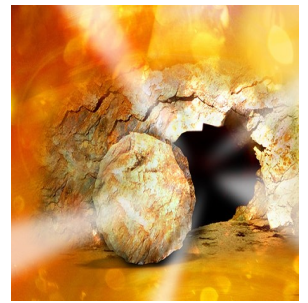

Banff Parish Church

This quiet memorial service, is for anyone who feels the loss of a loved one; a chance to remember, reflect and share the pain we feel; for we are not alone.

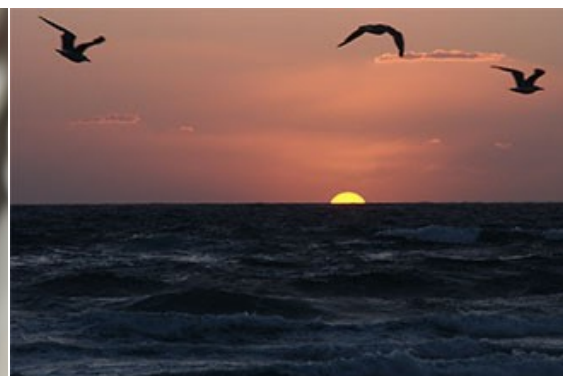

With glimpses from the Bible, we may see anew how God feels and shares our feelings and gives us new hope, even to journey forward.

Our service allows us to journey through our feelings... the pain caused by the loss of a loved one, the pain of ill health, the pain of a broken heart or whatever causes hurt in your life.

There will be a quiet time with music, readings, reflections, remembrance and a time to share our feelings, our worries and our hurt and pain with God, and light a candle of remembrance.

It is hoped that this service will bring some hope and comfort to anyone who is facing hurt and loss at this time, in the privacy of our own thoughts...and in the safety of our loving God.
