

You will need:
cardboard or other sturdy paper, red paint, paper for the arms, googly eyes (if you don't have googly eyes you will need a felt pen or crayon), scissors, and some glue.

Draw one large and two small hearts. Paint the hearts red.

While the paint is drying, take your paper for the arms and concertina fold it, cut two strips for arms. See picture

When the paint is dry cut out the hearts.

Use the picture at the top of this page as a guide to add the eyes and mouth:

Draw a smiling mouth.

If you are using googly eyes, glue them on to the heart or draw eyes using a felt tip pen.

Glue the small hearts... onto the ends of the arms for hands and glue the arms to the large heart.
